

WOLLATON EAST & LENTON ABBEY WARD COUNCILLORS' MONTHLY UPDATE JULY 2018

As you know July was hot and dry, but our annual summer events were well attended and certainly weren't dampened by any wet weather! We also wanted to thank the volunteer plant waterers who've been tending to the plants at Farndon Green during the hot spell.

Lenton Abbey Family Fun Day

The event was a success despite the fact that it clashed with a rather important football match! The weather was great and lots of people arrived early and enjoyed the stalls and activities. We would like to thank the Lenton Abbey Residents Association volunteers who helped with organisation of the event and helped on the day.

Farndon Green Fun Day

Despite some dark clouds and a few rumbles of thunder the weather stayed fine for a really busy afternoon. Wollaton Park Residents Association and St Mary's Church worked with the Council to create a lovely event, where we had good conversations with residents about local issues. Thank you to everyone involved.

Free Summer Holiday Fun

We are very happy to fund and support AJ Sports who are providing football and other sporty fun on Lenton Abbey Park on Tuesday, Wednesday and Thursday afternoons, 12.30-3pm throughout the school holiday. Packed lunch provided as part of the City Council's project to reduce holiday hunger.

Neighbourhood Development Officer

We are glad that Lyse-Anne Renwick is settling into her new role as our NDO. Lyse will be covering both WELA and Dunkirk & Lenton in preparation for the new Ward boundary next year. You can contact her on Lyse-Anne.Renwick@nottinghamcity.gov.uk. We've set Lyse a number of tasks and priorities and she'll be working hard to deliver. We've also been planning next year's activities and events, if you have any suggestions please let us know.

Good Garden Awards 2018

Judging gardens on Wollaton Park Estate and Lenton Abbey will be happening soon. Keep weeding, watering, clipping and planting to be in with a chance of an award and an invitation to one of our annual 'good gardeners tea parties.'

Friday Coffee Morning with Breakfast, Sheila Roper Centre, Lenton Abbey

The Coffee Morning which normally happens on alternative Fridays is happening every week in August. We are providing breakfast, come along, make new friends, chat and 10-12 am. See you there!

Consultation re Residents' Parking Schemes

Consultation will commence later this month for some new parking restrictions in Radmarsh Road. We've also been working closely with Council Traffic Officers to work up plans for proposals for resident parking schemes covering the Wollaton Hall Drive, Oundle Drive, Wemyss Gardens areas and several roads in Lenton Abbey. Public consultation on the proposals will happen later in the year.

Official re-opening of Highfields Park

Come along Friday, 31st August, 2.00 pm – 4.00 pm for the official re-opening Highfields Park after the completion of Nottingham City Council's restoration project, which was part-funded by the Heritage Lottery Fund.
