

Can we help?

Can you help?

Hello from your local church, St. Mary's Wollaton Park. At this time of crisis we want to offer what help we can.

We hope to offer:

- ♥ Practical help with **shopping** if you are self-isolated
- ♥ Someone **to chat to** on the phone
- ♥ We will be **praying for you**, please get in touch if there's anything particular you want us to pray about.
- ♥ Church services are cancelled but we will be **live streaming** something for adults and children on social media.
- ♥ We can't do this alone—**can you help** by offering to shop for someone? Please get in touch if you can.
